We may also collect data in order to run credit or fraud checks, prevent and detect crime or meet our legal and regulatory obligations.

In certain cases you may indicate to us your preferences regarding the frequency, subject matter and/or format of communications. Please contact us for further information.

If you provide us with express consent to hold your data, we will retain it for as long as we consider you might be interested in our goods or services, or until you withdraw consent.

6 Marketing information

We may wish to provide you with information about other services or products we think may be of interest to you, where that is in your interests. In that case, we will seek your consent. If you agree to us providing you with marketing information then, as indicated above, you can always opt out at a later date.

We will never sell personal data, including mailing lists, on to a third party.
